

RouteGate Brand Guide v1.1

Official Mark

The official RouteGate mark is Controlled Passage with breaks. The center route is intentionally split into blue segments. Do not use the previous continuous-line version.

Logo System

Primary horizontal logo, stacked logo, brand mark, wordmark, app icon and favicon.

Colors

Dark-first identity with primary blue #2563EB, background #07111F and surface #0B1220.

Typography

Inter is the official UI, documentation and website typeface.

Slogan

Control Your Routes.
